CALL FOR PAPERS

This conference aims to bring together researchers interested in the analysis of digital discourse from different disciplines, approaches and traditions. Thus, it seeks to foster state-of-the-art debates and discussions on this burgeoning field of research and provide opportunities for multidisciplinary and critical reflection.

Papers are invited for the 2nd International Conference: Approaches to Digital Discourse Analysis - ADDA 2, which will take place in Turku, 23–25 May 2019.
